

APPLICATION - Two Undergraduate Degrees in CALS

This application is for two majors under two different CALS degrees. This application **does not apply** to students who want two majors under a single degree (refer to "Two Undergraduate Majors in CALS" application.) The requirements for both degrees must be completed, including all university, college, major requirements for degrees. An advisor must be appointed in both majors. A minimum of 30 additional credits is required including at least 15 credits in each major that are not double-counted. Diplomas will be awarded only upon completion of both majors. For example, if one degree requires 120 credits, a minimum of 150 credits is required for two degrees. Application must be submitted before the start of the senior year of study (prior to 86 credits).

Directions

In addition to this form, student must submit a completed [Eligibility Assessment for double majors and degrees form](#). Return application to the Office of Academic Affairs in 116 Agricultural Hall.
