

REQUEST – Credit Overload

Policy: Each full-time student is expected to take class and laboratory work totaling 12 to 18 credits per semester. Anyone desiring to take more than 18 credits must obtain permission in advance of registration from the advisor and the Office of Academic Affairs and Services. See the registrar's website for the definition of maximum credit load in the summer sessions.

Directions

Student must complete parts 1-4 of the request form AND attach an explanation of why the overload is being requested. Once complete, student must meet the Dean on Call for approval in the Office of Academic Affairs located in 116 Agricultural Hall. Dean on Call hours are listed on the Academic Affairs website: www.cals.wisc.edu/academics/academicaffairs-office/.

1 Student Information

Advisor's Signature	Date

4 Student Acknowledgement

I understand that in order to take more than 18 credits in a semester or the maximum allowed during summer session, I must obtain permission in advance of registration from an advisor and the Office of Undergraduate Programs and Services as well as provide an explanation of why the overload is being requested.

I understand that I will be charged additional tuition if I register for more than 18 credits in a semester or the maximum allowed during summer session (*see <http://registrar.wisc.edu/tuition & fees.htm>*).
