Meeting minutes from September 9, 2014

NEW BUSINESS

COURSE PROPOSALS

**AAE 770** New Course - Introduction to Quantitative Methods in Resource and Energy Economics. Effective Fall 2015  
Lead: Van Eyck

**AAE 771** New Course - Theory to Practice: Fundamentals of Resource and Energy Demand Analysis. Effective Fall 2015  
Lead: Van Eyck

**AAE 772** New Course - Econometrics of Resource and Energy Demand Analysis. Effective Fall 2015  
Lead: Van Eyck

**AAE 773** New Course - Seminar in Resource and Energy Demand Analysis. Effective Spring 2016  
Lead: Jull

**AAE 774** New Course - Practicum in Resource and Energy Demand Analysis. Effective Spring 2016  
Lead: Jull

**LAND ARC 630** New Course - Geodesign Foundations. Effective Fall 2014  
Lead: Gonsiska

**LAND ARC 631** New Course - Geodesign Methods. Effective Fall 2014  
Lead: Gonsiska

**LAND ARC 633** New Course - Geospatial Approaches to Conservation and Adaptation. Effective Spring 2015  
Lead: Gonsiska

**LAND ARC 671** New Course - Geodesign for Sustainability and Resiliency. Effective Spring 2016  
Lead: Gonsiska
AGROECOL 371 New Course - Managed Grazing Field Study. Effective Fall 2014.
Lead: Bland

GENETICS 885 New Course – Advanced Genomic and Proteomic Analysis. Effective Fall 2014
Lead: Bland

ZOO 303 New Course – Aquatic Invertebrate Biology. Effective Summer 2015
Lead: Bland

AGRON 340 Course change in title from "Plant Biotechnology: Principles and Techniques II" to "Plant Cell Culture and Genetic Engineering" and description change. Effective Spring 2015
Lead: Bland

BSE 367 Course change in course description and course designations. Effective Fall 2014
Lead: Jull

SUPPLEMENTAL APPROVAL

LACIS 401 Organic and Sustainable Agriculture in Latin America – Colloquium and Field Trip Effective Spring 2015
Lead: Jull

OTHER

Proposed Name Change (L&S): “Biological Aspects of Conservation” to “Conservation Biology”
