

# CALS QuickStart

A program just for incoming first-year students! Get a summer start on your UW-Madison coursework and reduce your time to graduation.

“

I am so thankful for all of the connections QuickStart has given me. I now know so many faculty as a result of this course. I feel much more comfortable reaching out for help, research opportunities or just to learn more.”

— Ella Welsh  
Biology major

“

I was worried that I would hate having the responsibility of doing summer homework ... but I'm so glad I did this — it eased a lot of my worries about getting started on campus.”

— Jordan Main  
Biological Systems Engineering major

“

*Quickstart is such a great way to begin your college experience! Think of it like a “how-to” guide for college.*

— Vidhi Shah  
Biochemistry major

## Why CALS QuickStart?

### START YOUR FIRST YEAR STRONG

Gain early access to resources and opportunities through summer bridge courses

### SAVE TIME AND TUITION

Develop a personalized pathway to graduation
