 - Motion to approve; Jackson, Perna – passed

GRADUATE-LEVEL COURSE DESIGNATIONS

(refer to hand out)

- Each member to take a course or two from spreadsheet, contact all cross-listed department(s) re: graduate level attributes (or not), attempt to get a consensus, and then report back to the committee on Dec. 9th with a recommendation on whether to retain or remove the attribute
- Considerations:
 - Instructor of the course
 - Department chair, curriculum committee, and/or curricular representative
 - Types of student (undergrad vs. grad) enrolled in the course

Assignments

Bland – 371, 403, 556

Choi – 475, 476, 372

Gonsiska – 625, 626

Stanosz – 361, 309, 622

Smith – 621

Perna – 523

Jull – 639, 540, 356

Jackson – 441

Lenertz-Lindemer – 672, 521, 520
